When Takeru adopts his new pet, he's in for a surprise - the dog is none other than the reincarnation of Sherlock Holmes, the famous detective! What's more, this 'Sherlock Bones' has decided that Takeru is the reincarnation of his long-time assistant, Dr. Watson! Takeru may think Bones is crazy, but with no one else able to communicate with Sherlock, he's roped into becoming the canine's assistant all the same. In this first volume, Sherlock and Takeru come upon what appears to be a simple traffic accident, but is actually much more.
